

Tiepäivät 24.-25.8.2022 Road Congress

Welcome to Exhibit in renewed Road Congress

Winter Road Congress is now Road Congress! The 34th Road Congress will be held from 24 to 25 August 2022 at the Tampere Exhibition and Sports Center. The Road Congress is an event for road maintenance and traffic professionals, experts and decision makers. The event offers an interesting exhibition, driving skills competition, digital infrastructure -education, working machine demos and seminars, as well as other additional programs. The themes of the international professional seminar in 2022 will be winter road maintenance, road maintenance and road asset management.

The Road Congress exhibition showcases equipment, machinery, tools, materials, working methods, services, digital systems, and other expertise in roads, streets, and public areas. The exhibition is visited by over 3000 professionals and experts from several different countries (2020 over 3500 visitors). All visitors are united by the need to succeed in tasks related to the maintenance of roads, streets or public areas. Visitors have free access to the exhibition, demos and the competition.

At the road congress demos exhibitors will have the opportunity to present the maintenance equipment in real activities in the outdoor area of the exhibition center.

Come meet your customers and make new valuable contacts. All the key players in the industry are involved and you meet customers you don't meet anywhere else! Ensure your visibility and book an exhibition space.
